

“Putting TechKNOWlogy in the Classroom”

National experts from around the country provide insight and advice on implementing technology into learning objectives, tech tools, MOOCs, and pedagogy vs. technology. They will also give us a glimpse into future classroom technology.

Presenters Include:

Adrian Sannier
Vice President
Pearson Publishing

LeiLani Cauthen
Vice President
Center for Digital Education
Publisher of Converge Magazine

Dr. Angel Hoekstra
Professor of Sociology
University of Colorado

Dr. Deborah Bushway
Vice President
Academic Innovation, Capella University

Apr. 15th - Apr. 29th, 2013
Online 24/7
